

## **September 6, 2014 Severe Weather Plan**

Bike MS: Express Scripts Gateway Getaway Ride participants know that we ride in rain or shine so as long as the weather is not severe, we will keep the route open.

Net control will let staff members and SAGs know if weather is becoming severe. Severe weather is considered lightning, hail and/or tornado.

In the event of severe weather, please use common sense and do everything you can to move participants to safe places. Keep in mind that any public places (stores, pavilions, etc.) would probably allow you to take shelter there in an emergency.

**Shelter from inclement weather can be found in the following locations:**

### **Central Missouri Event Center**

Move all participants to the Exposition Hall near the finish line. Additional room can be found by going through the double doors inside the Exposition Hall into the indoor arena. **Be sure to alert all participants in Team Tents, as well as those that might be in the camping areas.**

- Grandview Baptist Church  
8300 N Route Z  
Hallsville, MO 65255  
573-696-3515
- Hallsville High School  
421 E. Hwy 124  
Hallsville, MO 65255  
573-696-5512
- Red Top Christian Church Pavilion  
Rest Stop 1  
Route U  
Hallsville, MO 65255
- Sturgeon High School  
210 W. Patton  
Sturgeon, MO 65284  
573-697-3512

- Sturgeon Community Center  
Rest Stop 2  
Route U  
Sturgeon, MO 65284
- Sunnydale Academy  
Stop # 5 (Lunch)  
6818 Audrain Road 9139 (Hwy 151)  
573-823-6587
- Little Dixie Firehouse # 3  
Century Stop #1022  
Route T & Audrain County Road 217  
Centralia, MO 65240  
573-473-4001
- Centralia High School  
849 S. Jefferson (Route Z)  
Centralia, MO 65240  
573-682-4002 Cell
- Good Shepherd Lutheran Church  
Rest Stop 6  
120 W. Gano Chance  
Centralia, MO 65240  
573-228-8568

All Rest Stop Captains should check with residents to see if barns or sheds at rest stop sites could be used for *emergency* shelter. In addition all drivers on the route will have a route map on hand that can be used to find alternate routes to the above locations. **Note: temporary tents should never be used for protection during severe weather. Participants and volunteers should evacuate and take down tents, if possible.**

## **September 7, 2014 Severe Weather Plan**
